EDUCATION

Bachelor of Engineering
GEC Gandhinagar Sector-28

06/2020 - Present   *CGP :- 8.1*

Courses
- Branch :- Instrumentation and control

HSC
IP ENGLISH SCHOOL

04/2019 - 04/2020   *Percent:- 42%*

SSC
IP ENGLISH SCHOOL

04/2017 - 04/2018   *Percent:- 69%*

WORK EXPERIENCE

Internship
Amtech Electronics Pvt.LTD

01/2024 - 04/2024   *City:- Gandhinagar*

My Department:- Testing and Manfacturing of VFD and Soft Starter

Achievements/Tasks
- Certification for Three months internship

Training
Tops Technologies

02/2025 - Present

done data analytics course from tops technologies

TECHNICAL SKILLS

Excel   SQl   Python   Stats in Excel

Data analytics

PERSONAL PROJECTS

Automatic headlight dimmer (07/2023 - 08/2023)
- Automatic Headlight Dimmer is a device switches high beam light to low beam light automatically, therefore reducing the glare effect by sensing the light intensity value of approaching vehicle and also allows the user to eliminate the manual switching.
- ARDUINO UNO was employed in designing the project.

Project with excel - pivot tables, functions and power queries (09/2024 - 09/2024)
- Developed a comprehensive data analysis project using Microsoft Excel to process, analyze, and visualize data. Leveraged advanced Excel functionalities, including Pivot Tables, charts, and functions, to summarize and interpret data trends. Utilized Power Query for efficient data cleaning and transformation.

Data base queries using SQL (11/2024 - 11/2024)
- Designed and implemented a database management project using SQL to efficiently organize, query, and analyze data. Created structured queries for data extraction, manipulation, and aggregation.

CERTIFICATES

4TH INDUSTRIAL REVOLUTION (07/2023 - 07/2023)
Certificate of Participation for 4th industrial revolution and intellectual property rights.
